[nissancubestore@borkowski.co.uk](mailto:nissancubestore@borkowski.co.uk)

“Design Inspirations” is set to spark debate and inspire London's most creative thinkers.

**Aladin** will be hosting a seminar titled “Redesigning Life”. He will be joined by four outstanding innovators, who will all unveil their latest creative work.

**John Grant** is author of Green Marketing Manifesto and co-founder of St Lukes

**Lone Sigurdsson** is sculptor and creator of wearable art.

**Rebecca Swift** is Associate Director, of Entelechy Arts.

**Sophie Thomas** is co-founder, Trees Don't Make a Forest, Green Gaged & [thomas.matthews](http://thomas.matthews).

Please join us on Thursday 10th December as we hear from **Aladin** and his co-speakers on what has inspired their creativity.
